#vocalforlocal

Why choose us?

Our **design philosophy** revolves around **sustainability**, exclusivity, quality, **women empowerment** and artisans upliftment.

Our **handcrafted** products are authentically sourced and **made with love** by local artisans.

We are into **appreciative formal gifting** where we persevere to make gifting an experience by highlighting the **story behind our product**. We believe in communication and connection so our products have a **high recall value**.

Our Clients

We are happy to have these brands choosing the sustainable way of gifting and contributing to empowering rural women to earn their livelihood. We are proud to be associated with our clients.

THANK YOU

- At IVillage, we bring the skills in a village and global markets at a level ground to ensure the enterprise is not only sustainable but also efficient and environmentally conscious - making us a **Social, Economic and Environmental** Enterprise.
- Our objective is to provide **employment opportunity** to the rural youth and upskill them to bring together the desired product with no compromise on sustainability, exclusivity, quality of the product while we promote **women empowerment and artisans' scalability** in the background.
- Our end goal is to establish **self-sustaining villages** by improving existing opportunities, attracting better ones and emphasizing the importance of local skills and workmanship.
